- The Premier League
- The EFL
- Any League operating at Step 1 to 6 of the National League System

on such terms and conditions as shall be mutually agreed by the two clubs and the player. For Loan Transfers between Clubs in the same Competition the transfer must be completed via the Online Player Registration System, with a Competition Temporary Transfer Form completed and retained by the Club. For Loan Transfers between Clubs in different Competitions the transfer must be completed via the Online Player Registration System, to include any applicable loan form (as communicated by The FA from time to time).

The player being taken on loan, including Youth Loan, must sign a Competition contract registration form which will be valid for the full period of the loan, including any extension to the loan period.

If the original Loan agreement contains a pre-agreed recall clause, a Player may be recalled by the loaning Club submitting written confirmation to the borrowing Club, the Competition and The FA. Where no pre-agreed recall clause exists, the cancellation must be agreed between the loaning Club, the borrowing Club and the Player. The loaning Club must submit written confirmation to the borrowing Club, the Competition and The FA. The Competition's standard cancellation form must be used to prematurely end the Temporary Transfer period. The temporary registration for the borrowing Club will automatically be deemed to be cancelled upon maturity of the temporary transfer period.

Where a Short Term Loan, or Youth Loan expires, and is not renewed so as to run continuously, any subsequent Short Term Loan, or Youth Loan of that Player to the same Club will be subject to a minimum duration of 28 days and will be considered a new loan (including for the purposes of Rule 6.4.7).

Guidance

A continuous renewal of a Short Term Loan (or Youth Loan) means that the start date of the renewal must commence from the date immediately following the date of the expiry of the last loan period. For example, if a loan expires on a Saturday, in order for it to be considered continuous, the extension must commence on the next day (i.e. the Sunday).

Any such loan continuation will not be accepted if the registering Club does not submit the relevant documents within 5 days of signature, or if the registering Club has played a fixture in the period between the date of expiry of the last loan and the time the relevant documents are submitted.

Where a Short Term Loan, Youth Loan or Long Term Loan (or period of Work Experience) expires on or after the last match of the season and the Club finishes in a Play-Off Position, and both Clubs agree, the Loans shall be extended to include the Club's remaining Play-Off Matches. Any such extension is not subject to any time limits that would otherwise apply, and must be agreed in writing by the player's parent Club and be registered with the Competition in accordance with these Rules and registered with The FA in accordance with the Player Status Rules.

- 6.6.2** Short Term Loan Transfers – A Club can have up to a maximum of twelve (12) Short Term Loans during a Playing Season. On completing the Competition Temporary Transfer Form (for internal Temporary Transfers) or FA form H3 (for Temporary Transfers involving two competitions), a Club must retain copies in case of dispute or if called in case requested by the Competition or The FA. Clubs must also take the appropriate action on the Online Player Registration System.

To extend the period of any Short Term Loan transfer a further Competition Temporary Transfer Form (for internal Temporary Transfers) or FA form H3 (for Temporary Transfers involving two competitions) must be completed and copies retained as directed above. If the Short Term Loan transfer is extended only the Club for whom the Player was originally registered will be allowed to cancel the agreement at any time within the extension period, i.e. after 28 days. In the case of a goalkeeper Clubs may mutually agree, if they so wish, to include a recall clause in the agreement to enable the Club for who the Player was originally registered to recall the Player at any time during the loan period. Players other than goalkeepers may not be recalled within the first month, i.e. 28 days, of any loan.

Any Short Term Loan transfer which may terminate after the last day for registrations may be extended for a further period provided the loan period does not extend beyond the current Playing Season.

To extend the period of any long term loan transfer a further Competition Temporary Transfer Form (for internal Temporary Transfers) or FA form H3 (for Temporary Transfers involving two competitions) must be completed and copies retained as directed above.

The Competition shall not approve more than two (2) Long Term Loan transfers to or from any one club, including Premier League and EFL clubs, at any one time (subject to the overall limit of four (4) Players joining a Club from another club in any Playing Season as set out at Rule 6.6.1).

APPEAL PROCESS**Commencement of Appeal and Response**

- 4** Appeal timings shall run from the date of notification of the decision being appealed against ("Notification Date"). The Notification Date shall be:

Pre-Season Budget ('PSB')

Each Club must submit a PSB to the Competition by no later than the 14th day of June, in such format as determined by the Competition from time to time. This shall include the budgeted revenue and expenditure for the Club for the forthcoming season and a balance sheet including sufficient details to enable the Competition to identify net current liabilities falling due for repayment.

The PSB shall contain details of any Existing Loans and the cost of servicing the same, or a provision for repayment if an Existing Loan is repayable before the end of the PSB Period.

The PSB shall also contain details of any actual or proposed Permitted Loans and the cost of servicing the same and any provision for repayment should the Permitted Loan be repayable before the end of the PSB Period

In order to be eligible to participate in the Competition for the Playing Season included within the PSB Period for which it has been prepared, the IFRP must give a Club's PSB either:

- a) Unqualified Approval; or**
- b) Qualified Approval.**

Unqualified Approval shall be given by the IFRP when, in its sole opinion, the PSB is considered to be reasonably financially viable.

Where a Club has been unable to obtain Unqualified Approval for its PSB, it may be given Qualified Approval. Qualified Approval may be given by the IFRP when, in its sole opinion, it assesses that the Club's ability to meet all costs in its PSB, including opening liabilities falling due for repayment, is in doubt.

Where a Club's PSB is given 'Qualified Approval' the IFRP may permit the Club to start the Playing Season on such terms as it may deem appropriate, including, but not limited to:

- The attendance of the Club for interview with the IFRP;
- the provision of monitoring information and/or explanations as it deems necessary;
- the imposition of an Embargo;
- the imposition of a Bond.

A Club shall be obliged to notify the Competition within five working days of becoming aware of any material variation to the figures included in an Approved PSB (whether Unqualified or Qualified). For the purposes of this provision, a material variation shall be any actual or projected decrease in overall income or increase in overall costs of more than 15%.

Where a Club notifies the Competition of a material variation to an Approved PSB in accordance with the paragraph above, then the IFRP may apply such conditions to that Club as it may deem appropriate, including, but not limited to, those detailed in the paragraph above.

Permitted Loans

From 6th June 2013, Clubs shall only be able to enter into and receive Permitted Loans upon the terms of this Appendix.

Any proposed Permitted Loans shall be set out within the PSB or MSB as appropriate.

A Club must confirm to the Competition (in such format as determined by the Competition from time to time) within five working days of receipt that the Permitted Loan has been received by it.

In the event of any Permitted Loan(s) not being paid to the Club in cleared funds within five working days of the prescribed date or dates contained in the PSB or MSB, then the Club shall be subject to such sanctions as the Board deems fit including but not limited to an Embargo. This provision shall not apply if the Club has provided a revised budget to the Competition demonstrating that there is no longer any requirement for the Permitted Loan(s).

It shall be the obligation of the Club to advise the Competition in writing should any payment of a Permitted Loan not be made as aforesaid.

Mid-Season Budget ('MSB')

Should a Club wish to introduce a Permitted Loan after the Approval (whether Qualified or Unqualified) of the PSB, they are required to submit a MSB to cover the period from the receipt of the Permitted Loan until not earlier than the end of the PSB Period. A MSB shall also be required should a Club seek to introduce any significant additional equity or donations (i.e. more than £5k in value) after the commencement of the PSB Period and the Club also seeks to incur significant additional expenditure on players.

The IFRP must give any MSB either:

- a) Unqualified Approval; or**
- b) Qualified Approval**

before a Club may introduce a Permitted Loan or any significant additional equity or donations.

In deciding whether to grant approval (whether Qualified or Unqualified) to the MSB, the IFRP shall apply the same criteria as those detailed for the PSB above.

A Club introducing a Permitted Loan or significant additional equity or donations without having the IFRP having given its MSB approval (whether Qualified or Unqualified) shall be subject to such sanction as the Board may determine.

Repayment of Permitted Loans

A Club shall be obliged to submit an application for repayment of any Permitted Loan to the Competition which shall (acting in conjunction with the independent Financial Review Panel ("IFRP")) issue its decision as soon as reasonably possible and, in any event no later than 14 days from submission of the request.

In considering such an application the IFRP will require the Club to demonstrate to its complete satisfaction that the repayment of the Permitted Loan will not in any way prevent it from fulfilling its financial obligations for the remainder of the PSB Period.

No application will be considered if there are arrears of any other Club debts or if the Club cannot demonstrate that any other Existing or Permitted Loan which would fall due for repayment before the end of the PSB Period cannot be satisfied, nor will any application be considered unless all other Club debts that have fallen due for payment by the date of repayment have been paid or satisfied in full. A Club shall be obliged to advise the Competition in writing within five working days of repayment of any Permitted Loan.

Emergency Loans

At any point after the approval (whether Qualified or Unqualified) of a PSB or MSB, Clubs are permitted to introduce certain loans ('Emergency Loans') without submitting an MSB to the Competition. Subject to the exception of point below, a Club will only be permitted to receive an Emergency Loan when each and all of the following criteria are met:

That the Club notifies the Competition by email of its intention to receive an Emergency Loan, such notification to include all of the following information as a minimum:

- Confirmation that there has been no projected change to the Club's overall profit or loss as set out in the PSB or MSB as appropriate;
- The amount of the Emergency Loan and proposed date of introduction;
- The full details of the individual/entity introducing the Emergency Loan;
- The specific circumstances which have led to the need for the Emergency Loan arising ;
- An approximate date for repayment of the Emergency Loan, which must be no later than the last day of the PSB Period; and
- The forecast circumstances which the club expects will happen to allow repayment of the loan.

Upon receipt of notification from the Club, at least two members of the IFRP must approve the Emergency Loan. The Club shall not be permitted to introduce the Emergency Loan until such approval is notified to it.

A Club is permitted to introduce an Emergency Loan without complying with the criteria set out above providing that such a Loan is:

- Not more than £5k in value; and
- Is repaid in full by the Club within twenty-one days of receipt.

General

Apart from Permitted Loans or Emergency Loans, no Club shall have the right to enter into further Loan arrangements.

A Club may enter into further Loan arrangements at any time provided that these are for the exclusive purposes of capital improvement or for the necessary acquisition of property. Clubs must provide a copy of a proposed written agreement for such Loans to the competition prior to entering into the same, and the proposed costs and repayments of such loans must be set out in the PSB or MSB (or an amended PSB or MSB if the loan is to be taken after submission and approval of the same). For the avoidance of doubt such Loans shall not be classed as Permitted Loans or Emergency Loans.

Nothing contained herein shall in any way affect a Club's obligation to comply with Rule 10.7 both in respect of pre-existing Loans, Permitted Loans or Emergency Loans.

All Clubs shall be required to cooperate fully with the IFRP in respect of the powers delegated to it by the Board.

Where a Club breaches any of the above regulations in relation to Permitted Loans, Emergency Loans and other ancillary matters, it is under an ongoing obligation to advise the Competition of the fact and circumstances of the breach(es) immediately.

Any Club found to be in breach of the above regulations shall be subject to such sanction as the Board may decide.

Clubs will have the right to appeal any decision by the IFRP pertaining to the application of the scheme. Such an appeal will be subject to the conditions laid down in Rule 16 of the Competition.

Step 1 and Step 2

These regulations do not deal with promotion from Step 1

The Clubs finishing in the bottom four places at Step 1 at the end of the Playing Season will be relegated and placed in a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season.

The Play Off Matches shall be played so that in each Step 2 division there is a qualifying round, semi-finals and a promotion final with all ties being played over a single leg at the ground of the higher placed Club. In each division at Step 3, the Play Off Matches shall be played so that the highest placed of the eligible Clubs plays against the lowest placed and the other two Clubs play each other.

The ties will be played on a single match basis with the home Club being the Club with the best points per match ratio in the Regular Season. If there are only three eligible Clubs then the highest placed shall receive a bye to a second match where it will play the winner of the other Play Off Match and the winner of that match will play in the further Play Off Match described above. Where a Step 6 division is operating with fewer than 18 Clubs at the end of the Regular Season (or where the number of Clubs could fall below 18 following promotion, relegation and/or lateral movements), the Committee shall decide at its absolute discretion whether the Clubs in the bottom three, bottom two or bottom positions of that division will be liable to relegation. The final number of Clubs to be relegated will be confirmed once promotion candidates from Feeder Leagues and any vacancies are known. If reprieves are required the Clubs third from bottom in each applicable division will be ranked on a points per match basis (then goal difference, then goals scored if required) - the Club(s) with the best points per match will be reprieved. If all third from bottom Clubs are reprieved, and a further reprieve(s) is required, the same process will apply for Clubs in second from bottom in each applicable division (and so on).

5.3 At Steps 2-5 the Club finishing in last place in the table at the end of the Regular Season will be relegated and not reprieved.

5.4 At Steps 1 to 6, if a Club becomes eligible to take part in a Play Off Match and refuses to take part in that match or if a Club qualifies for promotion and refuses to be promoted then that Club shall be relegated from the division it last played in and shall play the following Playing Season in the division at the next Step level below. If the refusal/ineligibility applies to a Club currently operating at Step 6, the Club will be removed from the NLS and placed in the appropriate Regional NLS Feeder League, provided there is an eligible Club at Feeder League level to replace them.

5.5 Where a vacancy occurs within the NLS the following procedures will apply:

End of the Playing Season

5.5.1

- a) Where a Club notifies its decision to resign from its League at the end of the Playing Season, then a vacancy is created on the date the notification of that decision is formally recorded by that League. Such resignation can only be withdrawn by the end of that Playing Season with the consent of the Board of that League.
- b) In all cases, that Club is treated as a relegated Club. The final table of that division is not affected.
- c) In cases where the vacancy is created after the end of the Playing Season but before the League's AGM, the vacancy will be filled in accordance with Regulation 5.5.2 below.

5.5.2

- a) Where a vacancy occurs at Step 1 and Step 2 following the completion of a Playing Season the best ranked Club in a relegation position is reprieved.
- b) Where a vacancy arises at Step 3 to 6 following the completion of a Playing Season it shall be dealt with at the sole discretion of the Committee.
- c) Where a vacancy occurs at Step 3 and 4 after the allocations for the following season have been published and prior to the holding of the League's AGM. The vacancy created shall be dealt with at the sole discretion of the Committee in order to minimise disruption.
- d) Where a vacancy occurs after the date of a League AGM then a League is not able to replace the Club(s) concerned for the following Playing Season.

Prior to the end of a Playing Season

5.5.3

- a) In cases where the vacancy is created prior to the end of the Playing Season, at Steps 1 and 2 the vacancy will be filled by the best ranked Club in a relegation position at the end of the Regular

Season, eligible of being reprieved in that same division. In the event of there being more vacancies than Clubs eligible to be reprieved, such vacancy or vacancies will be filled by Clubs eligible to be reprieved in the Competition's other division(s) on a points per match ratio. At Steps 3 to 6, the vacancies shall be filled at the sole discretion of the Committee.

- b) Where, prior to the end of the Playing Season, a Club notifies its decision to resign from its League with immediate effect or where a Club is removed from the League for any reason, then the playing record of that Club will be expunged and a vacancy is created on the date the resignation or removal is formally recorded by that League.
- c) In all such cases that Club is treated as a relegated Club and the vacancy will be filled in accordance with 5.5.3(a) above.

5.6 Only internal changes to the constitution of a League are allowed following the holding of a League's Annual General Meeting

5.7 Clubs are not allowed to enter into a ground share agreement in order to gain promotion or to retain membership at a particular Step where the Club has failed to attain or maintain the relevant Grade.

5.8 Stadium Accreditation Programme requirements will be in accordance with the Rules.

Each Playing Season, a Club participating at Step 1 to Step 6 must attain the following Stadium Accreditation by 31 March:

STEP	GRADE
Step 1	Grade 1
Step 2	Grade 2
Step 3	Grade 3
Step 4	Grade 4
Step 5	Grade 5
Step 6	Grade 6

Where a Club fails to attain the relevant grade by 31 March in a Playing Season, it will not be eligible for promotion or to participate in any Play Off Match in that Playing Season and will be relegated to the Step immediately below at the end of the Playing Season (save for where that Club also fails to meet the Stadium Accreditation criteria applicable for the Step immediately below, in which case the Committee shall decide (at its sole discretion) where to place the Club for the following Playing Season).

Clubs promoted from Feeder Leagues must install floodlights in working order by 30th September following promotion. Failure to do this will result in a sanction being imposed at the discretion of the League of which the Club is a member. If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

- 5.9** If a Club is relegated for not achieving the required Grade for the Step at which it is playing (regardless of whether the Club finishes in a relegation position or not), it will not be eligible for promotion again until it has attained the required Grade for the Step to which it wishes to be promoted. The Club must have that Grade at 31st March in the year in which it seeks promotion.
- 5.10** Where a club resigns from a League, that club will not be eligible for promotion for at least one Playing Season following the Season in which it resigned. Regulation 5.9 shall also apply if, in the Playing Season during which the Club resigns, that Club failed to attain the required Grade for the Step at which it was playing.
- 5.11** In the event of any question arising regarding the interpretation of these Regulations it will be decided by The Association in its sole discretion.

6. THE MOVEMENT OF CLUBS WITHIN THE NLS OTHER THAN BY PROMOTION OR RELEGATION

- 6.1** Movement of a Club from participation in one League to another is not permitted other than by

promotion and relegation or otherwise as set out in these Regulations or League Rules save with the approval of the Committee.

It may be necessary from time to time to move Clubs laterally at the same Step. Each year the Committee (or sub-committee thereof) will consider whether any lateral movements may be necessary at each Step and the final decision shall rest with the Committee / sub-committee. Only a Club subject to lateral movement from one League to another may appeal that decision pursuant to Regulation 8.2(b).

- 6.2** If a Club wishes to move to either: (a) another division at the Step of the NLS at which its current division operates, or (b) another division at a Step of the NLS below that at which its current division operates, that Club must make an application in writing to the Committee on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful the League from which the Club is moving (if applicable) shall not levy a financial penalty on that Club.

6.3

- i)** If a Club (whether a Members' Club or a Company) is wound up, liquidated, or is removed from its League or withdraws from football competition ('the Former Club'), and a new Club ('the New Club') is established which wishes to be placed within the NLS, it will be allowed to make an application only to join a League/ division at Step 5 of the NLS unless the Former Club was in either Step 4 or Step 5 when the event which caused it to cease its membership occurred in which case it must re-join the NLS at a minimum of two Steps below the level at which it was at the time the event occurred, or withdrew from football competition, whichever is lower. Where the Former Club was a member of Premier League or EFL then the Committee shall at its absolute discretion determine in which League the New Club shall be placed for the following Playing Season and will set out at its complete discretion the requirements to be met by the New Club.

In order for consideration to be given to the placement in the NLS of the New Club in the following Playing Season, an initial application must be received by the Committee by 1st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March.

The full application accompanied by all necessary documents including evidence of security of tenure having been granted to the New Club and affiliation to a County Football Association must be received by 31st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March. The application shall be copied to the League of which membership is being requested. The application will be determined by the Committee.

In considering any application, the Committee will set out at its sole discretion the requirements to be met by the New Club.

In the event of more than one application being received within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, the Committee will consider at its discretion which application will be considered in accordance with this Regulation.

- ii)** If a Club is removed from its League and wishes to remain in the NLS it shall apply to the Committee within five working days of it receiving written notification of its removal from its League. The Committee will consider such application and will place the Club in what it considers at its sole discretion to be the most appropriate League/division for the following Playing Season.

- 6.4** If a Club (whether a Members' Club or a Company) ceases to be a member of its league and that Club (that is not a New Club as defined at 6.3 above) wishes to be placed within the NLS for the immediately following Playing Season, then unless otherwise determined by the Committee, it may be allowed to make an application to join a League/division below the most recent League/division of which the Club was a member.

In order for consideration to be given to the placement in the NLS by the Club in the immediately following Playing Season, an initial application must be received by the Committee in accordance with the procedures set out at 6.3 above. The application shall be copied to the League of which membership is being requested. The application will be determined by the Committee at its absolute discretion.

In considering any application, the Committee will set out at its sole discretion the requirements to be met by the Club in determining whether to approve the application.

- 6.5** If two or more Clubs ("the Merging Clubs") are proposing a transaction or series of transactions that result in the merging or consolidation ("the Proposed Merger") of those Clubs into one Club ("the Merged Club") then a formal application to do so must be received by the Committee and the league(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The Committee shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The Committee shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the Committee may apply the following minimum criteria:

- 6.5.1** The requirements of Standardised Rule 2.9 for the current Playing Season must be met by each of the Merging Clubs. If one or more of the Merging Clubs is subject to an insolvency event then Standardised Rule 2.9.2 shall be applied to such club(s), otherwise Standardised Rule 2.9.1 shall be applied;
- 6.5.2** The proposed playing name of the Merged Club must be acceptable to the Committee; and
- 6.5.3** The Merged Club must have security of tenure to a ground that meets the relevant Stadium Accreditation requirements;
- 6.5.4** Any other criteria that the Committee may from time to time deem to be appropriate;
- 6.5.5** The Merged Club will ordinarily be placed at the lower of the Steps at which the Merging Clubs ended the Playing Season in which the application is made. For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Step to which they would have been relegated without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the Committee at its absolute discretion.

7. PLACEMENT OF A CLUB INTO A LEAGUE

- 7.1** Usually a club can only enter the NLS at Step 6 via a Feeder League. However a League may seek approval from the Committee to receive a club or team not currently in membership of a League within the NLS provided that there is: (a) exceptional circumstances, (b) a vacancy within its constitution, (c) the club meets the entry criteria and (d) promotion and relegation issues have been satisfied. Such request must be received from the league by no later than 1st February. Any decision shall only be capable of Appeal to The Association by the affected League.
- 7.2** Reserve teams, including a team from a club or Club which is not considered by the Committee to be sufficiently separate from another club or Club, will not be permitted to compete above Step 6 in the NLS. There must be a minimum of two Steps between a first and reserve team. This does not apply at Steps 6 and Feeder League level. No two teams from the same Club can play at the same Step.
- 7.3** Teams from Higher Education or Further Education establishments are not permitted to compete above Step 5. This does not prevent any such establishment forming a Club which complies with all entry criteria and which is separate from the establishment itself.
- 7.4** Where a Club moves from one League to another, for whatever reason, the League from which it is being moved must provide the League to which the Club is being moved with a certificate confirming that the Club being moved does not owe any money or other property of any nature to the League from which it is being moved. The Club being moved cannot compete in its new League until such certification has been provided and the onus will be on the Club being moved to ensure that it has cleared all indebtedness to its previous League.

8. PROCEDURES FOR THE DETERMINATION OF ANY MATTER, DISPUTE OR DIFFERENCE BY THE COMMITTEE

- 8.1** The Committee may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out at Regulation 2. The Committee may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.
- 8.2 a)** Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the Committee; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.
- b)** Subject to Regulation 6.1 above, any decision of the Committee shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties.

All referrals of appeals shall be conducted in accordance with the Appeal Regulations save for (i) appeals in relation to Stadium Accreditation decisions where the procedures are outlined in Regulation 8.2(c) below and (ii) appeals in relation to decisions made pursuant to Regulations 6.1 and 6.2 above where the procedures are outlined in Regulation 8.2(d) below.

c) Procedures for Stadium Accreditation Appeals

- i)** The ratification of the Stadium Accreditation decision must be sent in writing within 14 days of the final decision date, currently 31st March.
- ii)** Appeals in relation to Stadium Accreditation Appeals must be submitted to The Association's Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The Association's National League System Department.
- iii)** Unless both parties agree that a hearing should be conducted on the papers, the Committee will appear before an Appeal Board with the Appellant to respond to the application and there is no requirement to make a formal response in writing.
- iv)** In all cases the Committee will submit any documentation including the Stadium Accreditation report that was considered by the Committee in relation to the Stadium Accreditation decision, (which the appellant would already have received).
- v)** Dates would be set annually in advance by the Judicial Services Department for the hearing of Stadium Accreditation appeals and details of the dates would be notified to all Clubs in the correspondence from the Committee notifying the decision of the Stadium Accreditation assessment.

d) Procedures for appeals against decisions made pursuant to Regulation 6.1 and 6.2

- i)** Such appeals must be submitted to The Association's Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The Association's National League System Department.
- ii)** The Committee's response to the appeal shall be submitted to The Association's Judicial Services Department within seven days of the date the Club's appeal was submitted, with a copy to The Association's National League System Department.
- iii)** In all cases the Committee will submit any documentation considered by the Committee in relation to the relevant decision (which the appellant would already have received) with its response.
- iv)** The Committee will appear before an Appeal Board with the Appellant for determination of the appeal.
- v)** Dates would be set annually in advance by the Judicial Services Department for the hearing of such appeals and details of the dates would be notified to the Club in the correspondence from the Committee notifying them of the relevant decision.

- 8.3** The Committee may, at its discretion, delegate the resolution of any matter, dispute or difference arising under these Regulations to anybody it considers to be appropriate (including a sub-committee or commission which may include members of council not on the Committee or a body constituted by a County Football Association).

9. CRITERIA FOR THE PARTICIPATION IN PLAY-OFF MATCHES

In order to qualify for Play Off Matches a Club must comply with:

- Security of Tenure – see Standardised Rule 2.3.2
- Solvency – see Standardised Rule 13.B.2
- Ground Share requirements, i.e. not ground share in order to gain promotion – see 5.7 of these Regulations
- Stadium Accreditation – see 5.8 of these regulations and the relevant criteria document

10. ARBITRATION

The fact of participation in the NLS and signifying agreement to be bound by the Regulations shall constitute an agreement between each League and Club to refer to Arbitration any challenge in law arising out of, or in relation to, the Regulations in accordance with the provisions of FA Rule K.

11. LICENSING SYSTEM

A Club shall be required to hold a Licence to be a member of a Competition at Steps 1 to 4 of the NLS.

- The Association shall through the appropriate Committee operate a Licensing System to apply to all Clubs competing at Steps 1 to 4 of the National League System ("NLS"). A Club is required to hold a Licence to be a member of a Competition at Steps 1 to 4 of the NLS. The Licensing System to be applied is as shown at an Appendix to the Standardised Rules.
- Each Competition at Steps 1 to 4 of the NLS shall be responsible for the operation, assessment and granting of the Licence in respect of its Clubs through the Standardised Rules as approved by a Committee of The Association. A Competition at Steps 1 to 4 shall take all reasonable and practical steps to co-operate with The Association in the application of the Licence.
- In the event that a Competition fails to apply the Licensing System set out in the Standardised Rules to the satisfaction of The Association, then The Association shall have the powers of the Board of that Competition as set out in the Standardised Rules to apply such Licensing System. In addition, The Association may, if necessary, bring an action against the Competition for Misconduct under the Rules of The Association.

12. PRECEDENCE

In the case of conflict between the Regulations for the Operation of the NLS and the Rules, the Regulations take precedence:

Regional NLS Feeder League Regulations

1. League Structure

1.1 The Leagues currently operating as Feeder Leagues are set out at the end of the Appendix.

- 1.2** At Feeder League level the maximum number of Clubs in each division shall be determined by the Sanctioning Authority taking into account all relevant factors. In any case, this shall not be more than 18 Clubs. The minimum amount of Clubs should be 14.
- 1.3** Any league wishing to become a Feeder League must apply to the FA Leagues Committee by 31st December in the relevant year in such form and /or providing such information as shall be required by the Committee from time to time. The decision as to whether or not a league should be admitted as a Feeder League shall be made by the Committee.
- 2.** Rules and Regulations for Promotion and Relegation
 - 2.1** All Feeder League Clubs seeking promotion to Step 6 must make an application using the prescribed form direct to The Association, copied to their existing League, by 31st December in the relevant year. In order to be considered for promotion Clubs must finish in 1st position in their Feeder League. If the Club finishing in 1st position does not wish to be promoted or fails to meet the entry criteria then the Club finishing in 2nd position will be eligible for promotion. If the Club in 2nd position does not seek promotion or fails to meet the entry criteria then Clubs down to 5th position may be considered for promotion provided that they meet the appropriate entry criteria. Clubs finishing below 5th position may not be considered for promotion and only one Club may be considered for promotion from each League. Each application must be accompanied by the agreed application fee, as determined by the Committee, which is non-refundable.
 - 2.2** Clubs competing in a Feeder League must comply fully with the minimum requirements of Grade 8. To be considered for promotion to Step 6, Clubs must meet the requirements of Grade 7 and attain Grade 6 by 31st March in the year following promotion. Clubs can be promoted from Feeder Leagues to Step 6 without floodlights, provided that that all other requirements of Grade 7 are met by 31st March in the Playing Season in which the Club wishes to gain promotion and that the Club has the following in place:-
 - Planning permission granted for floodlights.
 - That by 30th September following promotion that floodlights are installed and in working order.
 - A development / business plan
 - Quotations / estimates for the work to be carried out.
 - Funding applications submitted, if required.

Failure to install floodlights in working order by 30th September following promotion will result in a sanction being imposed at the discretion of the League of which the Club is a member. If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

- 3.** Placement of a Club in a League
 - 3.1** The matter of draft placements for Clubs in Feeder Leagues is for the League in conjunction with its Sanctioning Authority. Once drafted, proposed placements are to be submitted to the Committee for ratification by an appropriate date as prescribed by the Committee from time to time. This is save for Clubs being allocated to Feeder Leagues having been relegated from Step 6, which is a matter for the Committee.
 - 3.2** Reserve and 'A' teams may participate in Feeder Leagues. Clubs should note the provision concerning Reserve teams at Step 6 under Regulation 7.2 in the 'National League System Regulations'.
- 4.** Movement of a Club between Leagues
 - 4.1** Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation or otherwise as set out in League Rules save with the approval of the Committee.

It may be necessary from time to time to move Clubs laterally at the same Step. Each year the Committee (or sub-committee thereof) will consider whether any lateral movements may be necessary at each Step and the final decision shall rest with the Committee/sub-committee. Only a Club subject to lateral movement from one League to another may appeal that decision pursuant to Regulation 5.2(b).

- 4.2** Any Club wishing to move from one League to another must make an application in writing to the Committee on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful, the League from which the Club is moving shall not levy a financial penalty on that Club.

5. Procedures for the determination of any matter, dispute or difference by the Committee

5.1 The Committee may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out in Regulation 2. - a)** Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the Committee; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.
- b)** Subject to Regulation 4.1 above, any decision of the Committee shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties.

All referrals of appeals shall be conducted in accordance with the Appeal Regulations save for (i) appeals in relation to Stadium Accreditation decisions where the procedures are outlined in Regulation 5.2(c) below and (ii) appeals in relation to decisions made pursuant to Regulations 4.1 and 4.2 above where the procedures are outlined in Regulation 5.2(d) below.

APPENDIX H EMBARGO

Embargo means a ban on a Club signing, re-signing, exercising an option to sign, extending a contract, converting a loan into a permanent transfer, converting a short term loan into a long term loan, loaning or seeking in any way to register a player whether on a contractual or non-contractual basis or as an amateur, trainee, academy, work experience or schoolboy associate other than within any of the Embargo Terms and Exemptions hereinafter contained.

Embargoed Club means any Club subject to an Embargo

An embargo may be imposed pursuant to any of the relevant preceding or subsequent Rules and Regulations or Appendices but in any event shall be imposed:-

- a) where a Club has undergone an Insolvency Event
- b) where a Club has been served with a winding-up petition which has not been satisfied in full or to the satisfaction of the petitioning creditors as evidenced by written agreement or
- c) where a Club has either defaulted on such an agreement or has omitted or incorrectly reported its failure to adhere to the terms of any agreement.

Any embargo is without prejudice to any other penalties that the Competition may wish or be entitled to impose pursuant to any other Rule or Regulation or Appendix in relation to any matter giving rise to the right to impose an embargo including but not limited to any default, or any agreement reached with creditors or failure to report the default or incorrectly reporting the Club's adherence to any agreement with creditors.

Embargo Terms and Exemptions

1. Prior to the start of the season an Embargoed Club will be permitted to sign up to 16 players. The complement of registrations must comprise entirely non-contract players save that it may include players under existing written contract, or players listed on the retained list at the end of the previous season where an option has been exercised prior to the implementation of the embargo.
2. In the event of the playing squad of any Embargoed Club falling below 16 registered players of whatever status then any of its then existing registered players who is the subject of a short term loan agreement may have that agreement renewed/extended.

3. In the event of any Embargoed Club having more than 16 registered players then subject to the exceptions hereinafter contained no short term loans may be renewed or extended.
4. In the event of any Embargoed Club having its playing squad fall below 16 registered players and where none of the registered players are on short term loans then the Embargoed Club shall be entitled to sign and register a sufficient number of non-contract players to bring the total of its squad up to 16.
5. An Embargoed Club shall in any event not be entitled to change the status of any of its registered players without the prior permission of the Board nor shall it be entitled to engage any new player under the permitted exemptions, on terms better than those of any player whose departure gave rise to the right to sign any other player.
6. An Embargoed Club shall not be permitted to improve the existing terms of any its registered players.
7. In the event of an Embargoed Club having a squad of 16 or less players, of whatever status, satisfying the Competition that any of those players have a long term injury (for this purpose a long term injury shall mean an injury supported by satisfactory medical evidence which may either be a medical certificate from the player's own Doctor or a letter signed by either a State Registered Physiotherapist or a Member of the Chartered Institute of Physiotherapists stating that the player or players will be unavailable for selection for a period of not less than 14 days) then it shall be entitled to sign a replacement player or players as the case may be on a non contract basis but subject to the provisions of Clause 5 hereof and for a period not to exceed the certification of the long term injury or injuries. A new player registered under this clause must not be nominated on the Team Sheet for any match at the same time as the player he has been signed to replace, and must not be engaged on more favourable terms than the player he has been signed to replace.
8. Where the number of eligible players falls below 11, or 11 excluding a goalkeeper, due to suspensions, a Club may make application to the Board to sign non-contract player(s) to ensure a team of 11, including a goalkeeper, can be fielded.
9. In the event of an Embargoed Club having no fit goalkeeper (again as evidenced by medical certificates) then it shall be entitled to register a goalkeeper for an initial maximum period of 28 days. A goalkeeper registered under this clause must not be nominated on the Team Sheet for any match at the same time as the goalkeeper he has been signed to replace, and must not be engaged on more favourable terms than the goalkeeper he has been signed to replace.
10. In any event if an Embargoed Club's squad falls below 16 because of exceptional circumstances then it shall have the right to make a written application to the Board of the Competition for its consent to sign sufficient players to bring the number of its squad up to 16 and the Board acting in the interest of the integrity of the Competition shall have the right at its absolute discretion to permit the Embargoed Club to sign sufficient players on non-contract or short term loans to bring the number of its playing squad up to 16 fit players applying the criteria set out in the Exemptions above.
11. Any event being a breach of any Competition Rule (including but not limited to the late delivery of a FRI form) which may give rise to the imposition of an Embargo, shall give the Board the right to impose that Embargo with immediate effect. The Board will in any event procure that a written request for a personal hearing in respect of such a decision will be heard within 7 days of receipt of the request from the Club, notwithstanding the Club's immediate right of Appeal in accordance with Rule 16.4. Pending any such request for a personal hearing, or any subsequent appeal to The Football Association, the Embargo will remain in place.

APPENDIX I MATCH DELEGATE

The administrative procedure will be as follows: The Football League will appoint a Match Delegate to all matches. Some days before the match, the Match Delegate should contact you by letter advising you of his appointment and requesting the appropriate tickets, e.g. car park, admittance, etc (for your guidance, the Football League for their games suggest a maximum of TWO complimentary tickets per Match Delegate). The Club Secretary should then either send the tickets by return post, or place them at the gate on match day as mutually agreed. If Match Delegate does NOT follow the above procedure please inform the Secretary. Please allocate at the ground seating ticket(s) within or adjacent to the Directors' Box which provide an uninterrupted view of the playing area. On his arrival at the ground the Match Delegate will call at your office to collect a match programme and confirm with you that the referee is as printed in the programme. There will be pre-match contact between referee and Match Delegate and at the conclusion of the game on both occasions in the match official's dressing room.

1. HOSPITALITY - The National League requests that the club hospitality be afforded to the Match Delegate but not necessarily in the boardroom. Boardroom hospitality shall be at the sole discretion of the club chairman.
2. Would you please stress to your club directors and club officials that it is totally inappropriate to engage the Match Delegate in conversation appertaining to the match.
3. If your game is postponed for any reason please be CERTAIN to "stand down" the Match Delegate, if known, as well as the three match officials.
4. Please ensure that your Programme Editor when compiling the programme identifies each assistant referee by one of the flag colours. The identification should read "yellow trim" or "red trim".
5. Should you encounter any difficulties with the Match Delegate's scheme, please do not hesitate to contact the Secretary.

APPENDIX K

KICKS FROM THE PENALTY MARK

Kicks from the penalty mark are taken after the match has ended and unless otherwise stated, the relevant Laws of the Game apply.

PROCEDURE

BEFORE KICKS FROM THE PENALTY MARK START

- Unless there are other considerations (e.g. ground conditions, safety etc.), the referee tosses a coin to decide the goal at which the kicks will be taken which may only be changed for safety reasons or if the goal or playing surface becomes unusable.
- The referee tosses a coin again and the team that wins the toss decides whether to take the first or second kick.
- With the exception of a substitute for a goalkeeper who is unable to continue, only players who are on the field of play or are temporarily off the field of play (injury, adjusting equipment etc.) at the end of the match are eligible to take kicks.
- Each team is responsible for selecting from the eligible players the order in which they will take the kicks. The referee is not informed of the order.
- If at the end of the match and before or during the kicks one team has a greater number of players than its opponents, it must reduce its numbers to the same number as its opponents and the referee must be informed of the name and number of each player excluded. Any excluded player is not eligible to take part in the kicks (except as outlined below).
- A goalkeeper who is unable to continue before or during the kicks may be replaced by a player excluded to equalise the number of players or, if their team has not used its maximum permitted number of substitutes, a named substitute, but the replaced goalkeeper takes no further part and may not take a kick.
- If the goalkeeper has already taken a kick, the replacement may not take a kick until the next round of kicks.

DURING KICKS FROM THE PENALTY MARK

- Only eligible players and match officials are permitted to remain on the field of play.
- All eligible players, except the player taking the kick and the two goalkeepers, must remain within the centre circle.
- The goalkeeper of the kicker must remain on the field of play, outside the penalty area, on the goal line where it meets the penalty area boundary line.
- An eligible player may change places with the goalkeeper.
- The kick is completed when the ball stops moving, goes out of play or the referee stops play for any offence; the kicker may not play the ball a second time.
- The referee keeps a record of the kicks.
- If the Goalkeeper offends:
 - If the ball enters the goal, a goal is awarded.
 - If the ball misses the goal or rebounds from the crossbar or goalpost(s), the kick is only retaken if the goalkeeper offence clearly impacted the kicker.
 - If the ball is prevented from entering the goal by the goalkeeper, the kick is retaken.
 - If the Goalkeeper offence results in the kick being retaken, the goalkeeper is warned for the first offence in the game and cautioned for any subsequent offence(s) in the game.
- If the player taking the penalty kick or a teammate offends:
 - If the ball enters the goal the kick is retaken
 - If the ball does not enter the goal, the referee stops play and the kick is not retaken
 - If a player feints to kick the ball once they have completed the run up the referee cautions the kicker. Feinting in the run up is permitted.

- If both the goalkeeper and kicker commit an offence at the same time:
 - if the kick is missed or saved, the kick is retaken and one or both players may be cautioned depending on the offences.
 - if the kick is scored, the goal is disallowed, the kick is recorded as missed and the kicker may be cautioned depending on the offence

SUBJECT TO THE CONDITIONS EXPLAINED BELOW, BOTH TEAMS TAKE FIVE KICKS

- The kicks are taken alternately by the teams.
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken.
- If, after both teams have taken five kicks, the scores are level kicks continue until one team has scored a goal more than the other from the same number of kicks.
- Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick.
- The above principle continues for any subsequent sequence of kicks but a team may change the order of kickers.
- Kicks from the penalty mark must not be delayed for a player who leaves the field of play. The player's kick will be forfeited (not scored) if the player does not return in time to take a kick.

SUBSTITUTIONS AND SEND OFFS DURING KICKS FROM THE PENALTY MARK

- A player, substitute or substituted player may be cautioned or sent off.
- A goalkeeper who is sent off must be replaced by an eligible player.
- A player other than the goalkeeper who is unable to continue may not be replaced.
- The referee must not abandon the match if a team is reduced to fewer than seven players.

HOME-GROWN PLAYER DEVELOPMENT

The National League shall enable its Clubs to engage in home-grown player development through the implementation of a home-grown development plan. The organisation and rules of home-grown player development are set out in this Board directive.

Home-Grown Players

The National League has established a plan for its Clubs to develop more and better home-grown players. Throughout the plan the quality of the development experience for the young player is of the highest importance. The objective is to prepare a young player for a possible future career as a professional or semi-professional football player in the National League, the professional game or elsewhere in the National League System. It is also to ensure a player continues to receive education, which will enhance their career, education and/or training prospects either to coincide with employment as a football player or as a pathway to alternative employment.

A "Student" is a player who may remain in full-time education, an apprentice or someone doing a traineeship (or be employed on a written contract by the club as defined below) and is in an age group between the ages of Under 17 to Under 19, such age groups to be determined by a player's age on 31 August in the year in question.

National League Football Academy Licence

A National League Club that registers Student players must obtain an annual licence to engage in home-grown player development from the National League Board ("Licensed Club"). Licensed Clubs will be granted the designation "National League Football Academy" and must pay an annual license fee in accordance with the Standard Fees Tariff.

Each Licensed Club may recruit Student players. Such players may have been previously engaged in the elite player performance plan in the professional game or be locally-trained players. Each Licensed Club is authorised to register a maximum of 45 players at any one time between the ages of Under 17 to Under 19, such age groups to be determined by a player's age on 31 August in the year in question.

Student registrations shall be approved and registered by the National League U19 Alliance on behalf of the National League in accordance with these rules and Licensed Clubs shall submit the required forms within 5 days of signature. Student registrations shall be for 1 or 2 seasons and may be extended by a further season at a time. Student registrations may be extended at any time. A Student whose registration expires at the end of a current season must be informed in writing by a Licensed Club on or before 31 March whether they are to be offered an extended registration or released when their current registration expires.

The earliest a Licensed Club may offer a Student registration to a player whose registration it doesn't currently hold is 1 January of a player's Under 16 year, and to commence on or after the last academic year in which the player reaches the age of 16.

Students may also be registered as a Contract Player or Non-Contract Player in order to play in Competition Matches. Any Student that signs as a Contract Player part way through an education course must continue and complete their Education Programme.

Player Development

All registered Students are required to undertake a football development programme as described below ("Football Development Programme") and an Education Programme appropriate to their age and ability and in accordance with the laws of England and Wales ("Education Programme").

Each Licensed Club shall have a formal agreement with a learning provider(s) responsible for the delivery of each Student's Education Programme. Learning provider(s) shall be not responsible for the delivery of a Student's Football Development Programme.

Each Licensed Club shall be responsible for a player's Football Development Programme and employ a minimum of two full-time coaches and a therapist who shall be qualified as per the standard set in National League Rules for Step 1. Coaches used to deliver the Football Development Programme must have a minimum of a UEFA 'B' coaching qualification or hold the FA Youth Award. Such coaches must keep their qualification up to date with continuous professional development. One such coach should be working towards a UEFA 'A' coaching qualification.

Each Licensed Club shall have a designated goalkeeping coach.

Each Licensed Club must have a designated safeguarding officer trained to Football Association standards and nominate a secretary to administer their home-grown player development activities.

All full and part-time staff shall have a written contract of employment to include the coaching contact time and be given a written job description and an annual appraisal. They must also be a member of the FA Coaches Club, hold a current FA first-aid qualification and hold a current DBS clearance as determined by the Football Administration.

Each Licensed Club shall produce a player development plan which shall set out the vision, goals, strategy and measurable short-term and long-term performance targets for all aspects of the work of the Club's home-grown player development, and how the Club will deliver a coaching curriculum and integrate its coaching, education, games programme, sports science and medical provision ("Player Development Plan"). The Player Development Plan shall include a financial budget for the season and be approved by the Club's Board. A summary of the Player Development Plan shall be made available to staff, players and parents.

Each Licensed Club shall be subject to a licence assessment, on-going monitoring and an annual evaluation by the National League.

Each Licensed Club shall take all reasonable steps to ensure that it protects the welfare of each of its players in the age groups up to and including Under 19 by offering support for the wellbeing and pastoral care of Students. Each Licensed Club shall publish a safeguarding policy, a health and safety policy, and codes of conduct for players, parents and staff.

Subject to a player's fitness, each Student shall receive a minimum of 12 hours football coaching per week throughout the season, which shall be spread over 40 weeks of the year.

Each Licensed Club shall conduct a multi-disciplinary review and meet each of its Students every 12 weeks and also meet with the Parent of a Student under the age of 18 at least twice a year. At the end of each season each Student shall receive an annual written report on all aspects of their performance and development over the preceding season.

Each Licensed Club shall have available to it suitably equipped first-aid and therapist facilities.

Each Licensed Club shall ensure that it has in place a Medical Emergency Action Plan in accordance with National League Rules.

Training Compensation

The registration of a Student at a Licensed Club shall impose an obligation on any National League Club next registering the same player to pay training compensation for the training and development of that Student to the Licensed Club which previously held his registration provided the Licensed Club offered to enter into a further period of registration as a Student or a Contract Player.

Until the Student registration or any renewal of has terminated a Student may not enter into any agreement with any other National League Club, and the Student may not be approached by any other National League Club, directly or indirectly, with a view to inducing the Student to leave the Licensed Club for which the Student is registered, except with written permission of the Licensed Club.

In the event of a Student registered with a Licensed Club having not accepted a further period of registration as a Student or a Contract Player with that Licensed Club, and having negotiated a Student registration and/or terms as a Contract Player or Non- Contract Player with another National League Club, and the Clubs not being able to reach agreement on the payment of a compensation fee, then provided the Licensed Club holding the Student's registration has complied with the rules, such compensation shall be determined by the National League Board. The National League shall follow the principles and procedures of The Football Association League Appeals Committee in determining any compensation fee.

In the event of a Student registered with a Licensed Club having negotiated a Student registration and/or terms as a Contract Player or Non-Contract Player with another club that is not a member of the National League, the Licensed Club shall submit a formal request in writing to the club concerned to request payment of a compensation fee. If the Licensed Club and the club are not able to reach agreement on the payment of a compensation fee, the Licensed Club shall notify the National League in writing and the National League shall request an adequate compensation fee to be paid by the club via the club's senior league. If an adequate compensation fee is not agreed and paid the player concerned shall not be approved and registered by the Competition either as a Student or a Player in the National League for a period of at least 2 years, subject to any dispensation granted by the National League Board.

The National League Board shall have power at any time to cancel the registration of a Student upon the written application of either the Student, or if the player is a minor, his parent or guardian on his behalf or the Licensed Club holding his registration. The National League Board may apply any reasonable conditions that it sees fit if and when any Student registration is cancelled. All decisions made in relation to the Home-Grown Player Development Board Directive shall be dealt with the National League Board, subject a right of appeal to an independent panel of National League Officers.

About the National League U19 Alliance:

The **National League U19 Alliance** competition was formed in 2000 in partnership with Bedford College, facilitating connections between clubs and their local colleges. Initially known as The Football Conference Youth League and The Football Conference Youth Alliance, the competition has now evolved under the umbrella of **The National League**.

The league is designed for male players aged 16-19, offering both competitive football and the opportunity to further their education with an approved Education Provider. The league includes teams from across the National League system, including clubs from Step Four and above, with additional spots available for community-based Premier League and Football League Clubs.

The objective of the league is to offer a high-quality football experience while helping players further their education. It provides them with the necessary qualifications and real-world experience to prepare for careers in both football and other professional fields. The competition is also vital for coaches, administrators, match officials, and other stakeholders, offering them the opportunity to progress in their careers.

To enter the **National League U19 Alliance**, clubs must have a partnership agreement in place with an approved Education Provider. Additionally, the senior team of the club must play at Step Four or above in the National League System. If space permits, Premier League and Football League clubs running programmes through their community or foundation trusts may also be eligible. There is a maximum of 120 clubs allowed in the league, and any additional teams from existing clubs must compete in separate divisions.

Matches in the **National League U19 Alliance** are typically scheduled for Wednesday afternoons, though flexibility is allowed in the event of rescheduled fixtures. The standard kick-off time is **2 PM**, but clubs can agree to adjust this depending on mutual availability. The league also offers the opportunity for teams to compete in various cup competitions, including the **National League Football Academy Cup** and the **National League U19 Alliance League Cup**. These competitions follow a knockout format, with regional matchups taking place throughout the season.

Since 2019, the league has also included **National League Football Academy Licensed Clubs**, which have been subjected to an additional layer of regulation. These clubs are required to meet specific standards in coaching, facilities, player welfare, medical support, and overall administration. The aim is to create the best possible environment for young players, helping them to develop both as athletes and as individuals.

The National League Football Academy Licensed Clubs are critical to the development of young players who aspire to reach the professional ranks. These clubs, which benefit from additional support, play a crucial role in the transition from youth football to senior football, ensuring that players are well-equipped for the challenges ahead.

As of 10th July 2025, **97 Clubs** and **124 teams** will compete in the **National League U19 Alliance** for the **2025-26 season**, spanning **eleven divisions**, including **two divisions dedicated exclusively to National League Football Academy-licensed clubs**. This exciting expansion demonstrates the continued growth and prominence of the competition.

In addition to the league fixtures, clubs could also participate in two prestigious knockout competitions: the **National League Football Academy Cup** and the **National League U19 Alliance League Cup**. Both tournaments are contested on a regional basis, offering teams the chance to battle for silverware beyond the league. Over the past three seasons, the finals of these cup competitions have been proudly hosted at the world-renowned **St. George's Park**.

A significant milestone in the league's development came five years ago when the **National League** appointed former **Sunderland** and **Bristol City** player **Gary Owers** as Head of Player Development. In his role, Gary has played a pivotal part in supporting **National League clubs** in nurturing and developing young talent, helping players transition from youth football to senior football—an invaluable journey for the next generation of football professionals.

Currently, **27 clubs** compete in the **National League Academy Divisions North and South**. These divisions not only showcase the rising stars of youth football but also reflect the league's commitment to providing high-level development opportunities nationwide.

THE NATIONAL LEAGUE TRUST

SUPPORTING YOUR COMMUNITY

The National League Trust is a charity that offers grant aid, support and advice to member clubs to help create and grow projects and activities for their communities. We can help develop your skills and programme; help you raise funds and make your activities sustainable. Running community projects increases your supporter base and raises your local profile. Since 2010 we have awarded grants of over **£10.8m** to projects costing almost **£18m** at 112 different clubs and their charities.

Our work is made possible by the generous support of our funding partners, the Premier League and the Professional Footballers' Association. Each contributes to a fund of £1.2m per year, and they have recently committed to fund us until 2028.

We support a wide variety of activities, including projects which:

- work with young people at risk of offending
- grow women and girls football
- help support health initiatives
- provide arts activities
- encourage volunteering
- help different disability groups to play sport
- support older people
- work with isolated individuals and community groups
- develop green projects, and
- support schools by delivering sports coaching and educational initiatives.

Often funding is used to employ a community manager who can develop a programme.

Once community activity is established, we encourage clubs to create a charity to manage their programme. This leads to additional funding opportunities and is in line with the model that exists in the Premier League and EFL. Help and advice is available to help clubs achieve this. There are currently 51 community trusts or community interest companies operating alongside clubs across the National League's three divisions. We also work closely with our sister bodies, the Premier League Charitable Fund and the EFL in the Community, resulting in joint initiatives and training opportunities.

Funding is tailored to encourage development, with start-up grants for club-run projects and more substantial funding for established charities.

NLT Under 11s Cup

This annual competition is for schools teams who represent their National League club in regional finals. Finals are played at Wembley before the Promotion Play-Off Final in May. In the 2025 competition 50 National League clubs took part, and we would like to encourage as many clubs as possible to enter the 2024/25 competition. There are two events: one for girls and one for mixed teams.

In June 2025, AFC Fylde beat Southend United 1-0 in the girls' event and Altrincham won the mixed final, beating St Albans City by the same score.

Information on the competition and how to enter will be sent to club secretaries and community contacts in August, and we encourage all clubs to consider entering.
